

TRAINING ACADEMY 2022

**DEAR
CUSTOMER**

Welcome to the 2022 Silent Gliss Training Academy.

Following the restrictions of the last two years we are delighted to return to a full national training programme which includes information on some exciting new products such as our new fabric range, our made to measure Swiss Pleat curtain offer and the revised Metropole range.

Whilst our seminar programme provides an ideal opportunity to specialise in specific Silent Gliss products, you are welcome to attend multiple events should you require a broader insight across our range. The content of each of the seminars is detailed on the following pages.

Our seminars are free of charge and take place all across the country including London giving you the chance to see our recently refurbished studio at the Business Design Centre, Islington.

For specific location information, more detail on the course contents or to book places please contact our Broadstairs head office via trainingseminars@silentgliss.co.uk or by phone 01843 863571. Should you require more specialised training outside of this programme please contact your local Silent Gliss representative.

Yours sincerely
Silent Gliss Ltd
