

# TRAINING ACADEMY 2025

*We are excited to announce the dates for our 2025 product training seminars following another successful year.*

*This year's program features some exciting new products, including vertical and roller blinds, battery-powered roller and roman blinds, and a new radio control system.*

*These seminars offer an excellent opportunity to focus on the specific product types best suited to your business. Whether you are new to Silent Gliss or the industry, or simply in need of a refresher, these complimentary seminars could be beneficial for you and your staff.*

*Our seminars are held nationwide, from Scotland to the Southwest of England. Additionally, our London events provide an exclusive chance to explore our London Studio at the Business Design Centre in Islington.*

*For detailed information on course content, venue addresses, or to reserve your spot, please contact our Broadstairs head office at [trainingseminars@silentgliss.co.uk](mailto:trainingseminars@silentgliss.co.uk) or call 01843 863571.*

*If you require more specialised training outside of our scheduled program, feel free to contact your local Silent Gliss representative.*

*Yours sincerely*

*Jeff Alexander,  
Training Manager  
Silent Gliss Ltd*

---

The seminar types are as follows

- 01 — **Track and Curtain Products Training Seminar**
- 02 — **Blind Product Training Seminar**
- 03 — **Motorised Product Training Seminar**
- 04 — **Installer Training Seminar**

01 —

# Track and Curtain Products Training Seminar

## GENERAL CONTENT

This seminar comprehensively explores the Silent Gliss range of hand and cord-drawn curtain tracks, encompassing Metropole and motorised systems. Additionally, it highlights our 'made-to-measure' curtain offering, showcasing the Wave and Swiss Pleat heading styles.

## LEARNING OBJECTIVES

- The depth of the Silent Gliss curtain track systems
- Where and when to use them
- Colours and standard/optional accessories
- Fitting options
- Curtain weight guide and load charts
- Made to measure Wave and Swiss Pleat curtains with Silent Gliss fabrics
- How to use Bay 6 measuring tool

## PROGRAMME

- 9.00** — Registration and coffee
- 9.30** — Welcome to Silent Gliss
  - Hand drawn track systems
  - Cord drawn track systems
  - Metropole range
  - Lunch
  - The Wave curtain heading system
  - Silent Gliss Swiss Pleat and Wave curtain offer
  - Measuring and Bay 6 window measuring tool
  - Motorised track systems
- 16.00** — Close

## WHO IS THIS COURSE BEST SUITED TO?

Those involved in retail and contract sales of curtain products, selecting products, estimating and pricing, curtain design and make up and those who want to gain a basic technical knowledge of the products.

02 —

# Blind Product Training Seminar

## GENERAL CONTENT

A seminar detailing the Silent Gliss collection of manual and motorised blinds including an overview of The Collection fabrics. Includes new products for 2025.

## LEARNING OBJECTIVES

- The scope of the product range
- Different modes of operation
- Application of the various product types
- Silent Gliss fabrics – properties and technical functions
- Sizes and capabilities/pricing the systems
- Measuring guidelines and requirements
- Motorised and remote control options

## PROGRAMME
